COUNTER THE YEARS

A new facial treatment is now available at the exquisite Four Seasons Resort Bali at Jimbaran Bay – the revolutionary PURE® TDA Facial. Developed by spa specialist A.W. LAKE from Singapore, in conjunction with MedDrop (Germany) and ArivinePharma (Switzerland), the active ingredients in the PURE® TDA system improve circulation and cellular metabolism by reaching the cell core non-invasively (no pain or use of needles!). A 60-minute session swiftly minimizes the appearance of wrinkles, irritation and acne; prices for the facial start at Rp. 1,800,000++.
